Lumina Notes - User Manual (Page 1 of 3: Product Overview)

Lumina Notes is a note-taking app for students and small teams. The first version was released in March 2024.

Pricing: the Free plan stores up to 100 notes. The Pro plan costs 9 USD per month, or 89 USD per year.

The app supports text notes, images, and voice notes.

Page 2 of 3: Accounts and Sync

One account can be signed in on up to 3 devices at the same time.

Free accounts get 5 GB of cloud sync storage. Pro accounts get 100 GB.

Offline mode lets you keep writing without internet. Changes sync automatically when you go back online.

Page 3 of 3: Troubleshooting and Support

Refund policy: we give a full refund within 30 days of purchase, no questions asked.

Support email: help@lumina-notes.example. We usually reply within 24 hours.

Battery tip: using dark mode reduces battery use by about 20 percent on OLED screens.
